CALCULATION OF FILING FEE

Transaction Valuation* \$4,805,265,563.50	Amount of Filing Fee** \$582,398.19
--	--

* Estimated solely for purposes of calculating the filing fee pursuant to Rule 0-11(d) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Transaction Value was calculated by adding (i) the product of (A) 38,053,350 outstanding shares ("Shares") of common stock of Spark Therapeutics, Inc., of which 8,750 were restricted shares and (B) \$114.50 (the "Offer Price"); (ii) the product of (A) 4,157,775 Shares subject to issuance pursuant to Spark Stock Options granted and outstanding under the Spark Equity Incentive Plans and (B) \$71.74, which is the difference between the \$114.50 per share tender offer price and \$42.76, the average weighted exercise price of such options (all of which are "in-the-money"); (iii) the product of (A) outstanding restricted stock units in respect of 1,287,829 Shares subject to such restricted stock units (with any applicable performance conditions deemed to be achieved at maximum performance) and (B) the Offer Price; and (iv) the product of (A) 21,151 Shares which are estimated to be subject to outstanding purchase rights under the 2015 Employee Stock Purchase Plan (assuming that the closing price per Share as reported on the NASDAQ Global Select Market on the last day of the offering period in effect under the 2015 Employee Stock Purchase Plan on May 31, 2019 was equal to the Offer Price) and (B) the Offer Price.

The foregoing figures have been provided by Spark Therapeutics, Inc. to the Offeror and Parent of Offeror and are as of February 28, 2019, the most recent practicable date.

** The amount of the filing fee was calculated in accordance with Rule 0-11 of the Securities Exchange Act, by multiplying the Transaction Valuation by 0.0001212.

Check box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

This Amendment No. 11 to the Tender Offer Statement on Schedule TO amends and supplements the Schedule TO filed with the Securities and Exchange Commission on March 7, 2019 (as it may be amended and supplemented from time to time, the "**Schedule TO**") and relates to the offer by 022019 Merger Subsidiary, Inc., a Delaware corporation and a wholly owned subsidiary of Roche Holdings, Inc., a Delaware corporation ("**Parent**"), to purchase all outstanding shares of common stock, par value \$0.001 per share of Spark Therapeutics, Inc., a Delaware corporation ("**Spark**"), at \$114.50 per Share, net to the seller in cash, without interest and less applicable withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated March 7, 2019, and in the related Letter of Transmittal, copies of which are incorporated by reference to Exhibits (a)(1)(i) and (a)(1)(ii), respectively, of the Schedule TO (which, together with any amendments or supplements thereto, collectively constitute the "**Offer**").

All information contained in the Offer to Purchase and the related Letter of Transmittal, including all schedules thereto, is hereby incorporated herein by reference in response to Items 1 through 9 and Item 11 in the Schedule TO. Capitalized terms used and not otherwise defined in this Amendment have the meanings given to such terms in the Offer to Purchase.

Items 1 through 9; and Item 11.

1. The information set forth in Items 1 through 9 and Item 11 of the Schedule TO is hereby amended and supplemented by adding the following text thereto:

On September 30, 2019, pursuant to the Merger Agreement, Parent extended the expiration of the Offer. The Offer was previously scheduled to expire at 5:00 p.m., New York City Time, on October 1, 2019. The expiration date of the Offer is extended to 5:00 p.m., New York City Time, on October 30, 2019, unless further extended. The Depositary has advised Parent that, as of 5:00 p.m., New York City time, on September 27, 2019, approximately 8,251,571 Shares (62,467 of which were tendered by Notice of Guaranteed Delivery) had been validly tendered and received, and not validly withdrawn, pursuant to the Offer, representing approximately 21.4% of the outstanding Shares.

On September 30, 2019, Parent issued a media release announcing the extension of the Offer. The full text of the press release is attached as Exhibit (a)(5)(xxv) to the Schedule TO and is incorporated herein by reference.

2. Amendments to the Offer to Purchase and the exhibits to the Schedule TO:

The information set forth in the Offer to Purchase and Items 1 through 9 and Item 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer to Purchase, is hereby amended and supplemented as follows:

All references to “5:00 p.m., New York City time, on October 1, 2019” set forth in the Offer to Purchase (Exhibit (a)(1)(i)), Letter of Transmittal (Exhibit (a)(1)(ii)), Notice of Guaranteed Delivery (Exhibit (a)(1)(iii)), Letter to Brokers, Dealers, Commercial Banks, Trust Companies and Other Nominees (Exhibit (a)(1)(iv)), and Letter to Clients for use by Brokers, Dealers, Commercial Banks, Trust Companies and Other Nominees (Exhibit (a)(1)(v)) are hereby amended and replaced with “5:00 p.m., New York City time, on October 30, 2019”.

3. The information set forth in Section 16—“Certain Legal Matters; Regulatory Approvals—Litigation Related to the Merger” of the Offer to Purchase is hereby amended and restated in its entirety and replaced by the paragraphs set forth below.

As of September 30, 2019, we are aware of three lawsuits that have been filed in the United States District Court for the District of Delaware, two of which are putative class action lawsuits, and one lawsuit that has been filed in the United States District Court for the Southern District of New York, challenging the disclosures concerning the transactions contemplated by the Merger Agreement, filed by purported Spark stockholders against various combinations of Spark, the members of the Spark Board, Parent and Purchaser. The actions are captioned *Wang v. Spark Therapeutics, Inc., et al.*, Case No. 1:19-cv-00479 (the “**Wang Complaint**”), *Kent v. Spark Therapeutics, Inc., et al.*, Case No. 1:19-cv-00485 (the “**Kent Complaint**”), *Newman v. Spark Therapeutics, Inc., et al.*, Case No. 1:19-cv-00528 (the “**Newman Complaint**”) and *Gomez v. Spark Therapeutics, Inc., et al.*, Case No. 1:19-cv-02487 (the “**Gomez Complaint**”). The complaints generally allege, among other things, that the defendants violated various combinations of Sections 14(d), 14(e), and 20(a) of the Exchange Act, and Rule 14d-9 promulgated thereunder, by failing to disclose purportedly material information in the Schedule 14D-9 filed with the SEC in connection with the Offer. The complaints seek, among other things, to enjoin the expiration of the Offer and/or consummation of the transactions contemplated by the Merger Agreement, or in the event that an injunction is not awarded, unspecified money damages, and an award of attorney’s fees and costs. We are also aware of one lawsuit that has been filed in the United States District Court for the Northern District of Illinois against certain trustees at the University of Pennsylvania, Spark and Parent, alleging intellectual property infringement and false claims by the trustees and seeks, among other relief, to enjoin the licensing of all adeno-associated virus patents by the University of Pennsylvania to Spark and the consummation of the transactions contemplated by the Merger Agreement. The action is captioned *Grant v. Bennett, et al.*, Case No. 1:19-cv-02615 (the “**Grant Complaint**”). On June 25, 2019, the Court dismissed the Grant Complaint with prejudice, for lack of prosecution of the case due to plaintiff’s failure to respond to Spark’s motion to dismiss the complaint. On September 5, 2019, the Kent Complaint was voluntarily dismissed without prejudice. On September 5, 2019, the Wang Complaint was voluntarily dismissed without prejudice. Parent and Purchaser believe that the Newman Complaint and the Gomez Complaint are without merit and intend to defend vigorously against all such claims. The full complaints are attached hereto as Exhibits (a)(5)(x), (a)(5)(xi), (a)(5)(xii), (a)(5)(xiii) and (a)(5)(xvii) respectively.

Lawsuits arising out of or relating to the Offer, the Merger or any other transactions referenced herein may be filed in the future.

Media Release

Roche and Spark Therapeutics, Inc. announce extension of tender offer for shares of Spark Therapeutics, Inc.

Basel, 30 September 2019 - Roche (SIX: RO, ROG; OTCQX: RHHBY) and Spark Therapeutics, Inc. (NASDAQ: ONCE) ("Spark") today announced that Roche has extended the offering period of its previously announced tender offer to purchase all of the outstanding shares of common stock (the "Shares") of Spark for USD 114.50 per Share, net to the seller thereof in cash, without interest and subject to any withholding taxes required by applicable law and upon the terms and subject to the conditions set forth in the Offer to Purchase dated March 7, 2019 (as it may be amended and supplemented from time to time, the "Offer").

Pursuant to the Agreement and Plan of Merger, dated as of February 22, 2019, by and among Roche Holdings, Inc., 022019 Merger Subsidiary, Inc., and Spark (as amended, the "Merger Agreement"), the Offer, which was previously scheduled to expire at 5:00 p.m., New York City time, on Tuesday, October 1, 2019, has been extended until 5:00 p.m., New York City time, on Wednesday, October 30, 2019, unless it is extended further under the circumstances set forth in the Merger Agreement. All terms and conditions of the Offer shall remain unchanged during the extended period.

The Offer was extended to provide additional time for the U.S. Federal Trade Commission (the "FTC") and the UK Competition and Markets Authority (the "CMA") to complete their previously disclosed reviews of Roche's pending acquisition of Spark. The parties remain committed to the transaction and are working cooperatively and expeditiously with the FTC and the CMA.

Citibank, N.A., the depository for the Offer, has advised Roche that, as of 5:00 p.m., New York City time, on September 27, 2019, approximately 8,251,571 Shares of Spark (62,467 of which were tendered by notice of guaranteed delivery) had been validly tendered and received, and not validly withdrawn, pursuant to the Offer, representing approximately 21.4% of Spark's outstanding Shares. Stockholders who have already tendered their Shares of Spark do not have to re-tender their Shares or take any other action as a result of the extension of the expiration date of the Offer.

Closing of the tender offer is conditioned upon customary closing conditions, including the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act, and there being validly tendered and received, and not validly withdrawn, a majority of the outstanding Spark Shares.

MacKenzie Partners, Inc. is acting as information agent for the Offer. Requests for documents and questions regarding the Offer may be directed to MacKenzie Partners, Inc. by telephone, toll-free at (800) 322-2885

About Spark Therapeutics

Spark Therapeutics is a fully integrated, commercial company committed to discovering, developing and delivering gene therapies. The company challenges the inevitability of genetic diseases, including blindness, haemophilia, lysosomal storage disorders and neurodegenerative diseases.

Founded in March 2013 as a result of the technology and know-how accumulated over two decades at Children's Hospital of Philadelphia (CHOP), Spark Therapeutics' investigational therapies have the potential to provide long-lasting effects, dramatically and positively changing the lives of patients with conditions where no, or only palliative, therapies exist. Greater understanding of the human genome and genetic abnormalities have allowed Spark Therapeutics' scientists to tailor investigational therapies to patients suffering from very specific genetic diseases. This approach holds great promise in developing effective treatments to a host of inherited diseases.

Spark Therapeutics is headquartered in Philadelphia, Pennsylvania.
